

SATURDAY 11 FEBRUARY

BRIGHT SPARKS

10:00am – 5:00pm

Our ginormous weekend for families returns for its 12th year. Bright Sparks is a unique opportunity for parents and their children to share science with one another. From cockroaches to computer coding, slime mould to sound waves, there's something to fascinate and thrill every young mind.

Hove Park Upper School, Nevill Road, Hove, BN3 7BN

£6 / £21 for family ticket, under 7s free. Ages 7-14

MINECRAFT DINOSAUR DIG

10:00am, 11:15am, 1:00pm, 2:15pm (1 hr.)

Inside a prehistoric Minecraft world you might unearth some virtual velociraptors. Blending technology with paleontology, this workshop will test your creativity as you search for the 'terrible lizards' buried beneath the ground. What will you find?

Made, 66 North Rd, BN1 1YD

£7 (spaces limited). Ages 7+. Spaces limited; advance booking essential.

OSKAR'S AMAZING ADVENTURE

11:00am (40 mins)

In the depths of winter, going to sleep until spring seems like a wise idea. Oskar the Swiss puppy is looking for his friends – but why are they all asleep? And does he have to wait until spring for them to wake up and play?

Komedia, 44-47 Gardner St, BN1 1UN

£8/5. Ages 2-7

SIMON WATT: DR DEATH AND THE MEDI-EVIL MEDICINE SHOW

7:00pm (doors 6.30pm)

Sneezes, wheezes, sickness and diseases don't sound appealing - but in the past, some of the treatments could be much more dangerous than the original illness. Simon Watt AKA Doctor Death, the time-traveling surgeon, opens the medicine cabinet to reveal blood, guts, gore ... and maybe even a cure.

Sallis Benney Theatre, 58-67 Grand Parade, BN2 0JY

£6/3. Ages 7+

SUNDAY 12 FEBRUARY

BRIGHT SPARKS

10:00am – 5:00pm

Our ginormous weekend for families returns for its 12th year. Bright Sparks is a unique opportunity for parents and their children to share science with one another. From cockroaches to computer coding, slime mould to sound waves, there's something to fascinate and thrill every young mind.

Hove Park Upper School, Nevill Road, Hove, BN3 7BN

£6 / £21 for family ticket, under 7s free. Ages 7-14

OSKAR'S AMAZING ADVENTURE

11:00am (40 mins)

In the depths of winter, going to sleep until spring seems like a wise idea. Oskar the Swiss puppy is looking for his friends – but why are they all asleep? And does he have to wait until spring for them to wake up and play?

Komedia, 44-47 Gardner St, BN1 1UN

£8/5. Ages 2-7

UNDER THE APPLE TREE

2:00pm (1 hr.)

Apples fall down from trees, not up. But why? And how? A light-hearted theatrical look at the life of Isaac Newton, fusing shadow puppetry, special effect and projection art in a performance that treats its subject with the gravity he deserves.

Sweet Dukebox, The Iron Duke, 3 Waterloo St, BN3 1AQ

£8 Under 16s, £6 Adults. Ages 6+

UNDER THE APPLE TREE – WORKSHOP

3:30pm (1 hr.)

An illuminating workshop focusing on Newton's Prism and the magic of refracted light. Create shadow puppets and harness the power of the prism to project images onto the special shadow screen.

£4 Under 16s, FREE for accompanying adults (1 per child).

£8 Show and workshop combo tickets. Ages 6-12

MONDAY 13 FEBRUARY

CSI – WHO DUNNIT?

9:30am, 12:00pm, 2:30pm (2 hrs.)

Calling all budding detectives! Investigate a crime scene and use real forensic techniques to work out who dunnit. Identify footprints and tire tracks, lift fingerprints, analyze blood spatter, and use a microscope to match hair and fibres. Can you solve the crime?

Brighton Youth Centre, 64 Edward St, BN2 0JR

£12.50 (£40 family of 4). Ages 5+

TECHNOLOGY WILL SAVE US: DIY SYNTH WORKSHOP

10:00am (5 hrs.)

Build your own instrument in a day-long workshop exploring the science of electronic sounds. Fiddle with circuit components, stick them together, make beautiful (or freaky) music and take home your very own DIY synthesizer.

Brighton Eagle Lab, 1 Preston Rd, BN1 4QU

£59. Ages 8-12

EXPLORE THE WATER CYCLE IN MINECRAFT

10:30am, 12:00pm, 1:20pm, 2:40pm (50 mins)

Evaporate from the sea, condense into a cloud, and then descend onto some chalk on your way to the aquifer. What's going on? Just an ordinary day as part of the water cycle. It just happens that today you are the water. Blockbuilders meet in Al Campo cafe and while the water flows, so does the conversation.

Al Campo, 84-86 London Rd, BN1 4JF

£10. Ages 7+

OSKAR'S AMAZING ADVENTURE

11:00am (40 mins)

OSKAR'S HIBERNATION WORKSHOP

12:00pm (40 mins)

In the depths of winter, going to sleep until spring seems like a wise idea. Oskar the Swiss puppy is looking for his friends – but why are they all asleep? And does he have to wait until spring for them to wake up and play? After the show, learn about hibernation with a den-building workshop.

Komedia, 44-47 Gardner St, BN1 1UN

Show: Adult £8/5 (Workshop: Child £3) The workshop is limited to 20 places and is only available to children who have seen the show.

Show: Ages 2-7 (Workshop: Ages 4-7)

ART LAB

12:00pm, 1:00pm, 2:00pm, 3:00pm (40 mins)

Art and science collide in the Art Lab! The range of delights, includes slime, sherbet, bath bombs, soap monsters, volcanoes and much more. A different experiment every day!

Arthropod Arts Shop, 20-22 High St, Rottingdean, BN2 7HR

£6. Ages 5-11

SHADOW STUDIO WORKSHOP

12:00pm, 1:15pm, 3:00pm, 4:15pm (45 mins)

A fun shadow puppet workshop using fold up shadow theatres and cardboard cut-outs. Turn stories into stop motion, turn shadow animation in to digital stills and explore light through the magic of movement. day!

The Hope & Ruin, 11-12 Queens Rd, BN1 3WA

£8. All ages

UNDER THE APPLE TREE

2:00pm (1 hr.)

See listing for Sunday 12 February.

Sweet Dukebox, The Iron Duke, 3 Waterloo St, BN3 1AQ

UNDER THE APPLE TREE - WORKSHOP

3:30pm (1 hr.) See listing for Sunday 12 February.

Sweet Dukebox, The Iron Duke, 3 Waterloo St, BN3 1AQ

THE ART OF FUGUE AND THE SCIENCE OF SYMMETRY

7:00pm (2 hrs.)

Go Bach to the Fugue-ture! Laboured puns aside, this is a live fusion of music and mathematics which delves into the music of J. S. Bach and the remarkable nature of symmetry. Explore the patterns that connect nature, music and everyday life. What links 250-year-old music with smartphones and Rubik's cubes?

Friends Meeting House, Ship St, BN1 1AF

£5/3. All ages 11+

TUESDAY 14 FEBRUARY

CSI – WHO DUNNIT?

9:30am, 12:00pm, 2:30pm (2 hrs.) See listing for Monday 13 February.
Brighton Youth Centre, 64 Edward St, BN2 0JR

SCIENCE AT CITY COLLEGE

10:00am – 4:00pm (30 min workshops)

City College presents a diverse range of interactive experiments for everybody to have a go at. Make your favourite ice cream with liquid Nitrogen, become an alchemist and make gold from copper or channel the Messiah as you turn water into wine (to champagne, to indigestion liquid!). There really is something for everything in this series of 30 minute workshops.

City College, Pelham St, BN1 4FA

FREE. Under 18s must be accompanied by an adult. All ages

POCKET SCIENCE

10.30am – 4.30pm (drop-in)

The Pocket Science Festival looks like a funfair – it IS a funfair, but each stall has a little science snuck into it. The Incredible Machine, the Amazing Shrinking Puppet Booth, Upside-down Goggles, Splat the Rat, the Gull Poo Shooting Gallery, optical illusions and much, much more. Bring your family and be astonished, puzzled, pleased and stealthily educated by what you find.

"I thought the energy and enthusiasm of the volunteers was fantastic. Their ability to capture the attention of the young people was great. Fantastic team!"

"I think all the young people gained from the event and get a better understanding of how science impacts our everyday lives, how our eyes don't always tell the truth and what fun can be had from a microscope!"

"Your activities epitomise the real meaning of learning: it is fun, engaging, exciting, uplifting, and much more. Young people have a strong (and intrinsic) desire to "find out". Thank you for helping us nurture that."

City College, Pelham St, BN1 4FA

£4 on the door. Recommended ages 11+

OSKAR'S AMAZING ADVENTURE

11:00am (40 mins)

OSKAR'S HIBERNATION WORKSHOP

12:00pm (40 mins)

In the depths of winter, going to sleep until spring seems like a wise idea. Oskar the Swiss puppy is looking for his friends – but why are they all asleep? And does he have to wait until spring for them to wake up and play? After the show, learn about hibernation with a den-building workshop.

Komedia, 44-47 Gardner St, BN1 1UN

Show: Adult £8/5 (Workshop: Child £3)

The workshop is limited to 20 places and is only available to children who have seen the show.

Show: Ages 2-7 (Workshop: Ages 4-7)

ART LAB

12:00pm, 1:00pm, 2:00pm, 3:00pm (40 mins)

Art and science collide in the Art Lab! The range of delights, includes slime, sherbet, bath bombs, soap monsters, volcanoes and much more. A different experiment every day!

Arthropod Arts Shop, 20-22 High St, Rottingdean, BN2 7HR

£6. Ages 5-11

DROP IN & DO

2:00pm – 5:00pm (drop-in)

There are two million specimens and artefacts hidden backstage at Brighton Museum. If you go behind the velvet rope you will discover that what's on display is only the tip of the iceberg. Channel your inner curator.

This will be every Tuesday, Wednesday and Friday from 10 January – 28 April

Brighton Museum, Royal Pavilion Gardens, BN1 1EE

FREE for museum members and Brighton residents. Ages 7+

WEDNESDAY 15 FEBRUARY

WOVEN WILLOW STRUCTURES

10:00am – 4:00pm (drop-in)

Experts will show how to take some willow, paper and string, and combine them to create useful and fun objects. Using weaving, basketry and netting techniques.

Phoenix Brighton, 10-14 Waterloo Place, BN2 9NB

£6. Children under 16 must be accompanied by an adult. Ages 6+

CREATIVE ENGINEERING

10:00am – 1:00pm (drop-in)

A free taster session aimed at girls in Years 5 and 6. You are the engineers of the future – get a flavour of all aspects of engineering, complete with robots, software and mechanics, testing your co-operation, communication and problem solving skills.

Brighton & Hove High School, Montpelier Road, BN1 3AT

FREE. Limited to 25 places. Ages 9-11

*** To reserve places call 01273 280280 ***

MORE SCIENCE FOR WINTER AFTERNOONS**10:30am – 4:00pm (drop-in)**

Short, practical science demonstrations and activities with surprising outcomes. This will include a show, family challenges and making-taking-testing activities. There will be a chance to think about scientific questions based on the activities and to ask your own questions.

City College, Pelham St, BN1 4FA**£4. £15 for a family of 4. Under 3s free. All ages****POETRY IN MOTION: WORDS INSPIRED BY PHYSICS 11:00am (2 hrs.)**

Buzz! Whoosh! Crash! ... Force! Mass! Electricity! We're going to get physical with the physics, experimental with the lyrics and get charged up with the energy of poetry. Words with gravity, words with spark, words with power. Science teacher, poet and playful experimenter, Michael James Parker, leads the fun and games.

Jubilee Library, Jubilee St, BN1 1GE**£3 (£5 for adult and child). Ages 8+****OSKAR'S AMAZING ADVENTURE****11:00am (40 mins)****OSKAR'S HIBERNATION WORKSHOP****12:00pm (40 mins)**

In the depths of winter, going to sleep until spring seems like a wise idea. Oskar the Swiss puppy is looking for his friends – but why are they all asleep? And does he have to wait until spring for them to wake up and play? After the show, learn about hibernation with a den-building workshop.

Komedia, 44-47 Gardner St, BN1 1UN**Show: Adult £8/5 (Workshop: Child £3)****The workshop is limited to 20 places and is only available to children who have seen the show.****Show: Ages 2-7****(Workshop: Ages 4-7)****BLAST SCIENCE EXTRAVAGANZA SCIENCE SHOW 11.30am, 1.30pm, 3.00pm (50 mins)**

What do kids want? Everything. And when do they want it? Now. Well, you can't have it all, all the time. But you can have most of it most of the time, if you apply yourself. What kind of science show do young people and families want? All the good stuff. Fire. Space. Danger. Chaos. Solid answers to solid questions. Real experiments. Audience participation. A real science show. Isn't that what people want? So here it is. Blast Science presents the Extravaganza Science Show. Drumroll please... Happy now? Good. See you there.

Bleach (above Hare & Hounds pub), 75 London Rd, Brighton BN1 4JF**£8 / £6. Ages 7-11****ART LAB****12:00pm, 1:00pm, 2:00pm, 3:00pm (40 mins)**

See listing for Tuesday 14 February.

Captivating chemistry abounds in this hands-on workshop from the Making Place, as you take on solids, liquids and gases. Make them hiss, sizzle and pop with experiments on everyday objects. Then make yourself dinner with some coconut barfi sweets and lemonade to take home at the end.

City College, Pelham St, BN1 4FA**£5 per child (Accompanying adults free). Ages 5-10****MYSTERY AT FRANKENSTEIN CASTLE****2:00pm, 3:30pm, 5:00pm, (7:30pm, 9:00pm) (1 hr.)**

Leave the edge of your seat and step into a unique immersive theatre experience. You are in an abandoned lab, with a storm brewing and a monster to bring to life. This is theatre that you help create. Solve puzzles. Do experiments. Do you have what it takes to give the monster the spark of life?

Sweet Dukebox, The Iron Duke, 3 Waterloo St, BN3 1AQ**£10 (£50 group of 6).****Ages 12+ (7:30pm & 9:00pm are 18+ due to licensing restrictions)****DROP IN & DO****2:00pm – 5:00pm (drop-in)**

There are two million specimens and artefacts hidden backstage at Brighton Museum. If you go behind the velvet rope you will discover that what's on display is only the tip of the iceberg. Channel your inner curator.

This will be every Tuesday, Wednesday and Friday from 10 January – 28 April

Brighton Museum, Royal Pavilion Gardens, BN1 1EE**FREE with Brighton Museum admission. Ages 7+****BEHIND THE SCENES AT PHOENIX BRIGHTON****2:00pm – 3:30pm (drop-in)**

What do artists and scientists have in common? A lot, as you will find on this one-off tour behind the scenes of Phoenix Brighton.

Take a look at the artists' workplaces, see the material and techniques they use, how they develop their ideas, and how artists learn from scientists while scientists are inspired by artists.

Phoenix Brighton, 10-14 Waterloo Place, BN2 9NB**£5/3. Under 16s must be accompanied by an adult. Ages 6+****BUILD BRIGHTON DROP-IN SESSION****6.30pm – 8:00pm (drop-in)**

With everything from DIY electronic circuits, Lego Mindstorms and a walking, talking, dancing robot, the MakerSpace opens its doors and demonstrates some of the clever and interactive technology projects they provide. A Nao humanoid robot will keep you company if you get bored.

Rodhus (Freehold Terrace entrance), Hollingdean Rd, BN2 4AB £2.50. Ages 6+

FESTIVAL OF THE SPOKEN NERD VS GEORGE EGG 7.30pm (2hrs. 30)

The unstoppable Festival of the Spoken Nerd team up with 'anarchist cook' George Egg, bringing science into the house and cooking out of the kitchen. With live experiments, DIY science and songs, an unforgettable explosion of cosmic comedy and scientific surrealism, culminating in the creation of the most scientifically accurate (and probably inedible) dessert ever made.
The Old Market, 11A Upper Market St, BN3 1AS £12.50/10. Ages 12+

THURSDAY 16 FEBRUARY

FUN LEARNING - GAMES WORKSHOP

10:00am – 3:00pm (drop-in)

With tantalising brainteasers to stretch the brain cells, co-operation games, family games and competitive games Fun Learning has a magnificent compendium of fantastic family games and logic puzzles. It's so much fun you won't even realise you're learning.
City College, Pelham St, BN1 4FA FREE. All ages

MORE SCIENCE FOR WINTER AFTERNOONS

10:30am – 4:00pm (drop-in)

See listing for Wednesday 15 February.
City College, Pelham St, BN1 4FA

SCIENCE: THE BEST BITS

11:30am, 2:00pm (1 hr. 30)

Ian B Dunne takes you on a whistlestop tour with through the wonders of the universe - from Galileo dropping things to outer space, via singing dinosaurs, murderous plants and much more. Complete with demonstrations, specimens, lights and laughs.
The Brighthelm Centre, North Road, BN1 1YD £7 per person or £25 for a family of 4. Ages 4+

ART LAB

12:00pm, 1:00pm, 2:00pm, 3:00pm (40 mins)

See listing for Tuesday 14 February.
Arthropod Arts Shop, 20-22 High St, Rottingdean, BN2 7HR

MOTORISED MONSTERS: SERIES & PARALLEL CIRCUITS

1:00pm, 3:00pm (1 hr. 30)

Wire up some light bulbs, introduce a motor and a battery to the mix ... Lo! You have your very own hopping monster to take home.
Linklater Pavilion, Railway Land Wildlife Trust, Lewes, BN7 2FG £6 per child (Accompanying adults free). Ages 6-11

MYSTERY AT FRANKENSTEIN CASTLE

2:00pm, 3:30pm, 5:00pm, (7:30pm, 9:00pm) (1 hr.)

See listing for Wednesday 15 February.
Sweet Dukebox, The Iron Duke, 3 Waterloo St, BN3 1AQ

FRIDAY 17 FEBRUARY

HIDDEN WORLDS DISCOVERY DAY

10:00am – 12:00pm, 1:30pm – 4:00pm

Delve deep into the Booth Museum's collection and find creepy creatures hidden in plain sight. See miniature seabests through microscopes, meet strange animals that only come out at night, and shiver at terrifying parasites that live inside others. There's more to nature than meets the eye.

Booth Museum, 194 Dyke Rd, BN1 5AA

FREE. All Ages

BSA BRIGHTON SCI-SCREEN – FINDING DORY

1:30pm (3.5 hrs) (film shown 3pm-4:45pm).

Dory is a fish, on a quest to track down her parents and her memory. Will she succeed? Come and explore your memory and learn about sea life with hands-on activities from the British Science Association, discussions with scientists, and finally a screening of the hit Pixar film. Goldfish welcome.

13:30-14:10 Hands-on activities

14:10-14:50 Talks from researchers

15:00-16:45 Film screening

Sallis Benney Theatre, 58-67 Grand Parade, BN2 0JY

£8 adults (16+), £6 children, under 2s go free. All ages.

MOTORISED MONSTERS: SERIES & PARALLEL CIRCUITS

1:00pm, 3:00pm (1 hr. 30)

Wire up some light bulbs, introduce a motor and a battery to the mix ... Lo! You have your very own hopping monster to take home. A neat introduction to electricity and circuits for children and parents.

City College, Pelham St, BN1 4FA

£6 per child (Accompanying adults free). Ages 6-11

DROP IN & DO

2:00pm – 5:00pm (drop-in)

There are two million specimens and artefacts hidden backstage at Brighton Museum. If you go behind the velvet rope you will discover that what's on display is only the tip of the iceberg. Channel your inner curator.

This will be every Tuesday, Wednesday and Friday from 10 January – 28 April

Brighton Museum, Royal Pavilion Gardens, BN1 1EE

FREE with Brighton Museum admission. Ages 7+

MARTY JOPSON: THE SCIENCE OF EVERYDAY LIFE

2:00pm (doors at 1:30pm)

Top BBC scientist Marty Jopson answers the questions we never knew we wanted to ask: Why are cakes? Why do bubbles burst? And why would you want to hit a clock with a hammer? All this (and more) will be explained, as Marty destroys electrical devices and makes a mess, all in the name of science.

City College, Pelham St, BN1 4FA

£10/8. Ages 7+

MYSTERY AT FRANKENSTEIN CASTLE

2:00pm, 3:30pm, 5:00pm, (7:30pm, 9:00pm) (1 hr.)

See listing for Wednesday 15 February.

Sweet Dukebox, The Iron Duke, 3 Waterloo St, BN3 1AQ

THINGS THAT GO BUMP IN THE MIND: THE SCIENCE OF THE PARANORMAL

7:00pm (doors at 6:30pm)

Top parapsychologist Caroline Watt presents a spectral spectacle as we take a look at the science of the paranormal. Over a quarter of us claim to have seen a ghost - find out what we know about the spirit world, and what it tells us about ourselves.

Friends Meeting House, Ship St, BN1 1AF

£6/3. Ages 12+

SATURDAY 18 FEBRUARY

VOICE ON A LIGHT BREAM

11:00am – 4:00pm (drop-in)

Using light to transmit your voice could allow us to communicate across the vacuum of space. Jonathan Hare will help you put your voice on a light-beam. In collaboration with the Towner Art Gallery and their exhibition 'A Certain Kind of Light'.

Towner Art Gallery, Devonshire Park, College Road, Eastbourne, BN21 4JJ

FREE. All ages

SINGING WITH IPADS

2:00pm (2 hrs.)

Even if you've never done it before, you can be in a choir right here and now. How? Participants are given an iPad on which their line of music appears, a bit at a time, everyone sings their notes, the conductor controls the tempo through the iPads and Bingo! You are a choir.

Friends Meeting House, Ship St, BN1 1AF

FREE (ticketed). Under 16s must be accompanied by an adult. All ages

OLIVER MEECH: WHEN MAGIC AND SCIENCE COLLIDE 2.0

2:00pm

Magic and science collide, as Oliver Meech astounds you with amazing tricks, and then unveils the scintillating science that makes them work. It's a comedy magic show for the QI generation.

Sweet Dukebox, The Iron Duke, 3 Waterloo Street, BN3 1AQ

£5/4. Combined saver tickets for show and Science Secrets workshop (under 16s only) - £7. Ages 7+

OLIVER MEECH: SCIENCE SECRETS BEHIND MAGIC

3:30pm (1 hr. workshop)

A good magician never reveals how it's done, but this is a science festival! Oliver Meech lifts the lid on the science behind the magic in this one-off workshop. Learn the secrets and try the tricks yourself!

Sweet Dukebox, The Iron Duke, 3 Waterloo Street, BN3 1AQ

Under 16s - £5 (accompanying adults free, 1 per child). Ages 7+

ENSONGLOPEDIA OF SCIENCE

6:00pm (1 hr.)

An alphabetical and musical journey through science. We discover how octopuses smell, how to make one twin age faster than the other, how everything began and eventually how everything will end. John Hinton sings like a lark (and probably about one) and dances like a gazelle. Expect the unexpected – but expect it to rhyme.

Komedia Studio, 44-47 Gardner St, BN1 1UN

£10/7. Ages 7+

SMOKE AND MIRRORS: THE SCIENCE OF MAGIC AND ILLUSION**7:30pm (doors 7:00pm)**

Whether it's making objects disappear into thin air, defying gravity or predicting the future, magicians use science and psychology to perform amazing tricks. Richard Wiseman is Professor of the Public Understanding of Science at the University of Hertfordshire. He is also a magician. He is also very funny.

Sallis Benney Theatre, 58-67 Grand Parade, BN2 0JY**£10/8. Ages 12+**

SUNDAY 19 FEBRUARY

BEACH CLEAN**12:00pm (2 hrs.)**

Meet at ONCA and head to the beach for a citizen science clean-up. We will collect all the rubbish we find in an hour, and bring it back to the gallery to sort, and discuss the science and impact on Brighton. Co-hosted by ONCA, Creative Bloom, Zero Waste Brighton and The Deans volunteers.

ONCA Arts & Ecology, 14 St George's Place, BN1 4GB**FREE. All ages**

GRIM HISTORIES – THE VICTORIAN SCIENCE OF MURDER**3:00pm (1 hr. 30)**

Not for the faint-hearted - a virtual tour of infamous Victorian murders, and the pioneering inventions, including fingerprinting, post mortems and detection that allowed real-life Sherlock Holmes' to solve them.

Sweet Dukebox, The Iron Duke, 3 Waterloo Street, BN3 1AQ**£6.50 (adults) £4 (under 16s). Ages 12+**

WEDNESDAY 22 FEBRUARY

MOTORISED MONSTERS: SERIES & PARALLEL CIRCUITS**1:00pm, 3:00pm (1 hr. 30)**

Wire up some light bulbs, introduce a motor and a battery to the mix ... Lo! You have your very own hopping monster to take home. A neat introduction to electricity and circuits for children and parents.

Deers Leap Bicycle Park, Saint Hill, East Grinstead, RH19 4NG**£6 per child (Accompanying adults free). Ages 6-11**

THURSDAY 23 FEBRUARY

DISSOLVING AND EVAPORATING: LEMONADE & COCONUT BARFI**1:00pm, 3:00pm (1 hr. 30)**

Captivating chemistry abound in this hands-on workshop as you take on solids, liquids and gasses. Make them hiss, sizzle and pop with experiments on everyday objects. Then make yourself dinner with some coconut barfi sweets and lemonade to take home at the end.

Deers Leap Bicycle Park, Saint Hill, East Grinstead, RH19 4NG**£5 per child (Accompanying adults free). Ages 5-10**

SATURDAY 25 FEBRUARY

UNIVERSITY OF SUSSEX AT LONGHILL**9:30am – 12:30am**

An action-packed morning with scientific activities that cover all the (acids and) bases. Fire up some bunsen burners, make a chemical reaction, use science to create art, or get the knives out and carry out a dissection. There's a practical science activity for everyone - what will you choose?

Longhill High School, Falmer Road, Rottingdean, BN2 7FR**FREE. Ages 7-11**
